

# Saint Dominic School

## Academic Excellence - Catholic Values

Dear Parents,

One of the many time-honored traditions of Saint Dominic School is the presentation of the Live Stations of the Cross by our fifth grade students. Although we cannot gather together to participate in this beautiful prayer service this year, I invite you to share this prayerful experience with your families and continue our school's tradition by watching the Live Stations at home. Please click the link to access the video of the Live Stations of the Cross presented by our current eighth graders when they were fifth grade students. [Live Stations of the Cross 2017](#)

The Evening Mass of the Lord's Supper, the Easter Vigil, and Easter Sunday Mass will be live-streamed and available for viewing on the parish website at <https://stdominicparish.com/>.

Saint Dominic School teachers have been hosting Google Hangout Meets to connect with their students, teach lessons, and provide assistance with assignments. Students have been invited to participate in the Hangout Meets through Google Classroom or via emails to parents. I hope that many

more students will participate in these learning opportunities after Easter vacation.

Parents of children in Grades 3-8, I would encourage you to check your Parent Portal account to be sure that your children are current with all of their assignments. If you have questions about missing assignments, please speak to your children and then contact the teachers.

In letters to parents and guardians, Mrs. JoAnn Tier, Superintendent of Catholic Schools, shared updates on the continued closure of all schools and information regarding Catholic Services and Masses. Please click the links below to read Mrs. Tier's letters.

Thank you for sharing your favorite SDS pictures and keeping our community connected during this time of social distancing! Please continue to share pictures of your family taken at school or learning at home. All pictures are being posted to the SDS Photo Gallery on our website. [Click here to submit your favorite SDS photos.](#)

During this most sacred time of the year, we remember those affected by COVID-19, all healthcare professionals, and first responders in our prayers. May they experience the peace and love of Christ. On behalf of Mrs. Tonkovich and our faculty and staff, I wish you and your family a blessed Holy Week and joyful Easter!

God bless,  
Carol L. Bathmann  
Principal
