Parishioner Tuition Status

There are two categories regarding tuition rates: Parishioner/Non-Parishioner.

Parishioner Rate - Families must be registered members of Saint Dominic Church, worship weekly with the Saint Dominic Church community, and contribute weekly via the envelope system for one full calendar year (January-December). Since Saint Dominic Church supports Saint Dominic School as one of the parish ministries, it is the expectation that families who are registered be active in the church community and contribute a minimum of \$10 weekly/\$520 annually to the Saint Dominic Church collection.

Non-Parishioner Rate - Families who are not registered or have not been registered in Saint Dominic Church for one full calendar year (January-December) are assessed the non-parishioner rate. Registered families who did not meet the \$520 annual church offering from the prior calendar year will also receive the non-parishioner rate.

Saint Dominic School expects all students and their parents/guardians to abide by all rules and regulations set forth by administration in the school handbook. Parents/guardians are also expected to disclose all prior academic, medical and psychological reports on their child so that Saint Dominic School can more effectively service their child. All students accepted to Saint Dominic School are on probation throughout the first two trimesters of the school year pending successful academic effort and conduct appropriate for Catholic School students.
